

Yazid oversteps all boundaries

Written by freezak

He explained that as Imam Husain(AS) had said earlier, the enemies can repeat what they did on the Apostle's family in future as they did to the Leader of all women Fatimah Az-Zahra(SA).

What happened after Karbala testified Imam Husain(AS)'s words. The Tragedy of Harra in which Yazid sent soldiers to Madina. They put Madina under siege for 3 consecutive days and killed all the companions in the city and raped the women. History has recorded the event of Harra.

He explained further that history also recorded another atrocity in which Yazid intended to go to Makka and violate the sanctity of holy Ka'ba by urinating on it; however his intention could not be fulfilled.

After the lecture matam was performed followed by Ziyara of Imam Husain(AS), recitation of Hadeeth Kisa and closing prayer.
