A presiding Judge in Bauchi state of Nigeria had on Wednesday the 18/9/2019, granted bail application for 3 brothers out of the scores arrested during the recent nationwide Ashura procession in Nigeria.

Peaceful Ashura Procession was attacked in Bauchi city and Azare town just like others places where the attack was carried out by the Nigerian Police. In Bauchi state, like other towns and villages where Police violently attacked the peaceful procession, 3 people were killed in cold blood in the state and many others arrested

This show of shame by the Police during the recent processions was sequel to the tragic orders given by the Inspector General of Police, Mohammed Adamu, on the eve of 10th Muharram to carry out unjustifiable attack on the peaceful Ashura mourners.
