Reports indicate that the Nigerian Police carried out a targeted murder of Malam Bashir Muhammad (Press), a Cameraman who recorded the video that captured policemen setting their operational vehicle on fire about a week ago in an attempt to frame up the Islamic Movement.

Malam Bashir Press was shot on the head as police opened fire without provocation in Kaduna on Saturday the 29th of Aug 2020 on mourners on the annual Ashura procession. At least one other member of the Islamic Movement in Nigeria was brutally killed and several others were injured.

Malam Bashir Press was the cameraman that captured policemen setting their own vehicle on fire and subsequently exposed them in a video clip that went viral only last week.
